plotWAVE T75

A printer you can build on

Enter the next era of technical drawing and design printing with the plotWAVE T-series. With trusted technology and next-generation printing power, it offers you productive ease of use, IT security features and support for your sustainable business initiatives. Printers you can build on for the years ahead.

T-series benefits for you

- **Durable printing solution**
T-series printers are built for reliability and uptime, without the burden of daily maintenance. They are designed to deliver consistent print quality, both over time and on different machines.
- **Professional design philosophy**
We know how professionals use technical drawings and designs. We designed the T-series for them. For you! Proven Radiant Fusing Technology and easy-to-use intuitive interfaces help users produce first-time-right-prints.
- **Productive ease of use**
The T-series saves your users time and speeds up your design process. From a quick print to complex jobs and document sets, operation is intuitive even at first glance. Just push the green button! Together with the PRISMA Tech Suite, it's printing you can build on for the years ahead.
- **Streamlined workflow**
The T-series is designed to fit into your day-to-day processes. Print from applications on Windows or macOS. Submit jobs from mobile devices. Copying and scanning are easy thanks to Image Logic with automatic scan enhancement.
- **IT security features**
More than ever, you need to protect your IT infrastructure and valuable data assets against unauthorised access. With multiple layers of security features, the plotWAVE T-series is a printer you can build on with peace of mind for the years ahead.
- **Support of your sustainable business initiatives**
The T-series can help minimise your business footprint. With ENERGY STAR label, Radiant Fusing technology helps reduce energy use. Toner bottles are made of 50% PCR plastics on average. More than 85% of the printer can be reused or recycled.
- **One-stop shop**
With the plotWAVE T-series, our account professionals help you configure a fully integrated, large-format solution, with hardware, software, supplies and service from a single supplier.
